# ONE-STOP FULL-SCOPE EXTERIOR INSTALLATIONS & DESIGN SERVICES

Welcome to our magazine showcasing some of our work in Lake Bonavista, Willow Park, Parkland, Kelvin Grove and other nearby communities. The RidgeCrest brand is BEAUTIFUL EXTERIORS MADE EASY, providing homeowners with inspired design and attention to detail workmanship. What sets RidgeCrest Developments apart is our no-stress, no-headaches, unparalleled service for clients. We provide in-depth industry knowledge, excellent communication and responsiveness from start to finish resulting in timely, cost-effective, and aesthetically smart exterior installations that consistently “wow” our clients. Our biggest strength, however, is our professional team of installers who never fail to impress with their pride in workmanship and solid work ethic.

We encourage all potential clients to view our work, speak with our references, and call us for your exterior installation needs. Take a “RidgeCrest Tour” to confirm the top-quality service and talent that our RidgeCrest Team offers.

- **Broad experience consulting on exteriors design and renderings, with home additions and modifications as discussed**
- **Current building envelope knowledge and practices**
- **Prompt and informed communications and responsiveness to client needs**
- **Professional and collaborative client consultations on aesthetics, function and value**
- **Active network of industry professionals and trades – electricians, plumbing and gas fitting, drafting and permit services and engineers**

# SIDING

Brilliant exterior cladding choices combined with select accents for a low maintenance high curb appeal result.

- James Hardie Lap Siding, Staggered and Straight Edge Shingle, Panel and Trim Systems
- Rigid Extruded Aluminum Longboard and AL13 Aluminum Siding with beautiful premium finishes
- Premium Vinyl Siding and Aluminum Rainware
- LP SmartSide Panel and Trim

# WINDOWS AND DOORS

Fully-qualified installers for best practices in building envelope installations.

- Lux, Supreme: Dual and Triple Glazed PVC and Extruded Aluminum Windows
- Lux, Supreme, Codel, Pella: Full range of entry and patio door systems
- Custom finishing on fibreglass and wood door systems

# STUCCO

This premium exterior cladding system requires fully-qualified installers to ensure a long-term result.

- ADEX EIFS (Exterior Insulation and Finish System) Stucco (highest product warranty available), with perfectly smooth walls and added high R value.
- ADEX Traditional Stucco Systems – as a full system or as an excellent overcoat refinish on existing stucco

*If We Could Rate Them Higher Than 10, We Would!*

*100% we would recommend RidgeCrest to anyone looking to upgrade their exterior! Their workmanship and client service is outstanding.*

– Trisha and Colin

# ROOFING

Choose roofing products with a proven track record for wear and wind with an extensive range of function and design options.

- GAF, CertainTeed, Malarkey, Owens Corning: Architectural and Laminate Shingles
- EDCO, Westform: Metal Roof Tiles and Panels
- Boral: Clay and Concrete Tiles
- DaVinci, Inspire, Euroshield: PVC and Rubber Roof Tiles

# PAINTING

Best in quality paint sourced to meet the specific exterior cladding or trim to be painted.

- All surfaces fully cleaned and prepped prior to painting
- Elastomeric paint for a bold revitalizing of tired looking traditional stucco
- Exteriors on aluminum and wood windows, fibreglass, wood and metal doors expertly refinished
- Premium cedar/wood siding beautifully refinished

*We are so pleased with the final result – it has completely transformed our home! The crew was quick, polite and very clean. Also went the extra mile on small finishing items. We are so happy!*

– Taylor

# DECKING AND RAILS

All installed with code complaint drainage and substrates.

- Azek, Timbertech: Deck Boards, PVC and Spindle railings
- Aluminum and Cedar railings
- Tufdek, DeckSmart: Vinyl Membranes
- Cedar Deck Boards

*“They were professional, polite, respectful and hard working. I would recommend RidgeCrest to anyone looking to update the exterior of their home.”*

– Justin

# STONE VENEERS

Expert consultation on stone selection and scope of install choices to maximize your investment to aesthetic value.

- Stone Concepts, K2, Ecostone: Real Stone Veneers
- El Dorado Architectural Stone Veneers
- I-XL Brick and Masonry

# TESTIMONIALS

**5/5**

*Ridgecrest did a fantastic job with our exterior renovation. Work included roof replacement, all windows & doors (with masonry), acrylic stucco, and new deck rail. David and his team spent considerable time in helping us to decide what we wanted. The work was completed to a very high quality, and crews were detail-oriented, tidy, and courteous. Questions and follow-up requests were addressed promptly. Cost was as quoted. David also provided many helpful suggestions throughout the project to ensure that the final result exceeded our expectations.*

– **Kim & Tera**

**5/5**

*RidgeCrest did an excellent job from start to finish. The job was well run and went very smoothly. The crews are experienced and hard working, do quality work and pay attention to the details. The result is amazing, a complete transformation!*

– **Lana**

**5/5**

*We were very pleased with the overall experience. The consultation process was thorough, the work crew was professional and tidy, and once the job got started the work was diligently seen through to completion. Most importantly the final result exceeded our expectations.*

– **Corey**

**5/5**

*RidgeCrest did an excellent job on a window and siding project for our townhouse complex.*

– **Greg**

**4/5**

*RidgeCrest did an excellent job of completing our 8 townhouse project on budget. Our windows, siding, decking, railings, and eaves were all replaced. The materials and workmanship were excellent. Design recommendations were very good. The team was good to work with, and accommodated our schedules very well.*
